

Antigua *The Jewel of the Caribbean*

Home to 365 white-sand beaches – one for every day of the year – Antigua is one of the most sought-after vacation destinations in the Caribbean.

Measuring just 108 square miles, it is the largest of the English-speaking Leeward Islands; however, despite tourism being one of its biggest industries, the island has a very authentic feel to it.

That authenticity flows seamlessly from the vibrant streets of downtown St. Johns to the luxurious resorts that line Antigua’s expansive coastline.

Experience the possibilities of an all-authentic Caribbean excursion when you book with our on-site tour desk.

** Please note, a non-refundable deposit is required to book tours. If you need to cancel, please provide at least 24-hour notice. Please arrive with your tour receipt at least 15 minutes prior to your departure.*
